

2nd Economics of Low-Carbon Markets Workshop

December 15-16th, 2014

Ribeirão Preto, Brazil

The **2nd Economics of Low-Carbon Markets Workshop** aims at stimulating discussions among international researchers in the field of Environmental and Energy Economics and closely related areas such as Industrial Organization and Transport Economics.

Scientific Committee

- Juliano Assunção, PUC-Rio and CPI-Rio
- Antonio Bento, Cornell University
- Cristian Huse, Stockholm School of Economics
- Shanjun Li, Cornell University
- Claudio Lucinda, University of São Paulo
- Shaun McRae, University of Michigan
- Eugenio Miravete, University of Texas at Austin
- Alberto Salvo, National University of Singapore
- Frank Verboven, KU Leuven

The scientific committee welcomes theoretical, empirical and policy-oriented contributions addressing environmental choices, energy efficiency and related topics.

Submission Details

All interested researchers are invited to submit their papers written in English in pdf format to econ.low.carbon@gmail.com by August 15th, 2014.

Decisions will be announced in mid-September 2014 and paper presenters must register by October 15th, 2014 to have their papers included in the conference programme.

Conference Venue

The conference will be hosted by the Department of Economics at FEA/RP, University of São Paulo. Ribeirão Preto is the third largest city in São Paulo state (610,000 inhabitants) and the venue is within a 600 hectare area of what was once a coffee farm.

Further Details

Further information will be made available on the conference webpage at <http://fearp.usp.br/lcm/>
